## ACADIANA CHAPTER – LAFAYETTE, LA

The Acadiana Chapter of the American Petroleum Institute (API) will hold its general membership meeting on Monday, November 12, 2018 at the Petroleum Club of Lafayette beginning at 11:30 AM.

Keynote speaker will be:

***Kevin Ashley***

Kevin joined Chesapeake in 2006 after working for Chevron and Texaco in the Gulf of Mexico asset. Kevin originally started with Chesapeake in the North Louisiana group drilling various vertical wells around the Shreveport area. After being involved in the original Haynesville core and “discovery” well for Chesapeake, Kevin rotated through various drilling roles in Oklahoma, West Virginia, Pennsylvania, New York, and Ohio before being promoted to Drilling Manager over the Haynesville in 2011. In 2012 Kevin moved out to serve as Drilling Manager in the Rockies, Appalachia, and Mid Continent areas. In 2018 Kevin was able to come back to his first love and again be the Drilling Manager for the Haynesville for Chesapeake.
